"Lord, God Almighty, Father of all mankind, Who has been manifested to us through the Incarnation of the Logos, we beseech Thee to hear this, our humble Prayer.

Thou, Who are the God of all nations, Maker of all good things, visible and invisible, help each one of us to serve Thee and our country more faithfully in the establishment of peace, and in the furthering of justice for all the peoples of all creeds and races. Help us not to forget the folly and horror of all hatred, prejudice, and bigotry. Help all men everywhere to know that Thou has made of one blood all the families of men, and has created in this fair earth a home wide enough and rich enough for all.

We beseech Thee, O Lord, to be ever present throughout the many days and weeks and months of deliberation in this historic chamber. To these Thy servants, who, in the ministry of public service have been called to fashion the future of our state of Texas, do Thou grant them wisdom, courage, and the will to do the impossible. And on this day, the birthday of the father of our country, George Washington, we especially honor with great respect and esteem, his lesson of love of God and country, true patriotism at its best, has served as an inspiring example for all Americans throughout the glorious history of our beloved nation. May his example of loyalty to the lofty ideals and principles of our Motherland, the U.S.A., continue to imbue the present and future generations of Americans. And this above all, make us worthy of the sacrifices of the thousands of young, heroic Americans in Vietnam. These things we ask in Thy Name. Amen."

VOTES RECORDED

Mr. Hale and Mr. Truan requested to be recorded as voting Nay on the adoption of HCR 33.

REASON FOR VOTE

I am registering a No vote on HCR 33 for the following reasons: I have never been in favor of memorializing Congress for any reason because it is a deliberative body and therefore has to judge each bill on its merits and not on the whim of another deliberative body, i.e., a state legislature.

Also, I feel the welfare problems should be taken over by some national organizational authority. I am not clear as to the methods and procedure for this take over; also, I am not clear on how the welfare system can be completely changed so that 20 years from now we will not be faced with the same dilemma.

Signed: Curtis M. Graves
